

# CARRIAGE HOUSE DELIVERY SHEERS ITS WAY INTO THE HAIR AND BEAUTY INDUSTRY!

## Spread the love

The personalized delivery service, *Carriage House Delivery*, has reached beyond the expectations and offerings of its many big-box competitors. They have added yet another strength to their list.

Now offering delivery services to professionals in the hair and beauty industry, Carriage House aims to increase efficiency within every beauty and hair business across the country, with deliveries available in 60 minutes or less.

Carriage House understands the high demand that is carried by the hair and beauty industry. Professionals within this vocation are responsible for making their clients feel their absolute best while providing the utmost care and service. Unfortunately, popular hair and beauty establishments are often booked weeks out, leaving little to no time for

professionals to restock their inventory, particularly when they run short unexpectedly.

**“WE WATCHED AS FOOD DELIVERY GREW OVER THE YEARS AND SAW THE ACCELERATED PROGRESSION DELIVERY SERVICE CAN TAKE. OVER THE YEARS, CUSTOMERS WENT FROM WANTING FOOD DELIVERY TO CLOTHES, HOUSEHOLD ITEMS, ELECTRONICS, AUTO PARTS, AND MORE DELIVERED TO THEIR DOORSTEP THE SAME DAY. AFTER SIGNIFICANT RESEARCH, OUR COMPANY FOUND AN UNTAPPED MARKET IN THE HAIR AND BEAUTY DELIVERY SERVICE.”**

*Carriage House Delivery* recognized this hole in the delivery service industry and pledged to provide service to those working in hair and beauty. This allows them more time to focus on what matters to them rather than shopping for replenishment supplies. By providing this time-saving convenience service, *Carriage House Delivery* elevates business success and development in each city in which they function. The increased accessibility and service supplements the artists that help build a personal expression in the communities surrounding them.

**THE HUSBAND-AND-WIFE DUO RIDELL SADDLER AND COURTNEY BARNES PLACE A GREAT BIT OF VALUE ON THE HAIR AND BEAUTY INDUSTRY. THEY SAY, “[THE HAIR AND BEAUTY INDUSTRY] HAS BEEN AN EXPRESSION OF OUR MULTIFACETED CULTURE FOR MANY YEARS. THIS EXPRESSION HAS ALLOWED OUR CULTURE TO EVOLVE AND CHANGE AS WE GO THROUGH DIFFERENT JOURNEYS IN OUR LIVES.”**

*Carriage House Delivery* and its services have been welcomed with open arms by busy hair and beauty professionals across Florida and Ohio in the cities currently served by the organization.

With super quick delivery times guaranteed, ***Carriage House Delivery*** has allowed hair and beauty artists to remain in their zone of genius while delivering the items necessary to support their artistic and cultural work.

Ordering is streamlined and straightforward, allowing professionals to order precisely what they need with a few clicks. While most know the exact items they need to order, ***Carriage House Delivery*** also provides a search service on their website where customers can filter by hairstyle to find products like 1B-20, 1B-27, 613, finger nail polish, lipstick from your favorite brands, or more.

***Carriage House delivery*** is a modern and personable delivery service that fosters connection and convenience within a community. They allow professionals more time to focus on their art, by adding accommodation to the hair and beauty industry. ***Carriage House Delivery*** offers an irreplaceable service to local businesses and professionals alike. This means these industries can focus more on serving clients and injecting expression and cultural evolution into the community.
